

**Connected, High-resolution visualization and control solution**

- ✓ **Wide Screen with HD resolution.**
- ✓ **Cloud & Network connected.**
- ✓ **SD Card storage for extended storage.**
- ✓ **Fan-less Cooling.**
- ✓ **Hardware form factor suitable for rugged enclosures.**

**Applications**

- **Industrial Display Panel**
- **Digital Signage**
- **Generic display applications**
- **Home automation control panel**
- **Automotive Non-critical infotainment panel**

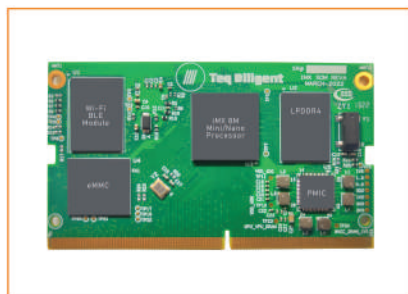

**We provide design and customization services for Embedded Displays**

**Other OEM Solutions**

**Embedded Vision Camera**

**System On Module**
